Ref.Correspondence ending with Sri A.V.Raman's letter No.28/10/51-Pol dated the 4th October 1951.

I am to say that the amount of Rs.4,37,482-1-10 referred to in this Govt.'s letter No.886/46/Pol.IV-39 (Home Department) dated the 22nd August 1951 does not include the value of the static water tanks taken over by the Madras Fire Service in the South Kanara District of this State constructed out of Civil Defence Pool, as details of such tanks were not available at that time. The value of the tanks in S.Kanara Dist is Rs.5,368-8-0 (Rupees five thousand three hundred and sixty-eight and annas eight only). I am to request that the approval of the Government of India for crediting the amount of Rs.5,368-8-0 to "L.II.B.Civil Defence - Section I - "Receipts relating to poolable expenditre" may be obtained and communicated to this Government at an early date.

The I.G. of Police, Fire Service Branch requests that the details for the amount of Rs.4,34,783/- ordered to be debited to the head "50. Civil Works - Buildings - T. Misc. Departments" in G.O.Ms.No.4812, Home, dated 15.12.1951 may be furnished. The details for the amount of Rs.4,37,483/- are in the statements on pp.33-36 n.f. of the above G.O. and may be furnished.

2. The C.E., P.W.D., has requested that the details for the amount shown against Visakhapatnam, Tiruchirapalli III circle and Malabar in the list of "Value of Static Water tanks" may be furnished to him as they are not traceable in his office. The details will be found on pp.174-175, 180 and 166-172 c.f. respectively. and may be furnished to the C.E.

3. The State Govt. have taken over the A.R.P. buildings, static water tanks and other structures and A.R.P. equipment and stores the expenditure on which was originally met from the C.D. Pool. Most of these A.R.P. buildings are used as Fire Stations and Static Water tanks have been retained by this Govt. for the use of their departments. The Fin Dept. suggested that, in accordance with the principle laid down by the Govt. of India for the disposal of the A.R.P. structures, 50% of the value of the buildings should be credited to "L.II.B.Civil Defence - Section I - receipts relating to poolable expenditure". To fix the amount that may have to be credited to Govt.of India, the C.E. was asked to forward a statement of all the A.R.P. buildings and their values. He submitted statements relating to a

all fire stations and static water tanks in various parts of the State. As the statement of the A.R.P. buildings etc. in South Kanara was incomplete it was returned to him to submit a complete statement. The amount of Rs.36778--8--0 in respect of the fire stations and static water tanks in the State excluding South Kanara was credited to "L.H.B. Civil Defence - Section I" after getting the approval of India.

The C.E., P.W.D. has now furnished a revised statement in respect of static water tanks in South Kanara Dt. He has not, however, furnished the details of Fire Stations in the district.

Three draft memoranda are submitted for approval.

After issue of the draft III, P.W.D., may see the drafts I and II before issue.

(Issued as Memo No. 106809/Pol IV/52-5, Home, dated 10-7-52)

p. 21 c

With reference to Memo on p. 19 c, the C.E. P.W.D. has reported that the records in the office of the Executive Engineer, South Kanara Division do not show that any fire station or A.R.P. Buildings or Structures other than static water tanks constructed from C.D. Pool were taken over by the M.F.S. Branch in the district of South Kanara. The total amount that has to be credited to Govt. of India in respect of static water tanks in South Kanara Dt. works out to Rs. 5368-8-0 (50% of the pre war value).

p. 7-9 c

Before the Government of India are addressed to credit this amount, it seems better to ask the I.G. to verify the list of tanks taken over by the F.S. dept.

(Issued as Memo. No. 106809 Pol.IV/52-6, D/1-11-1952)
From the I.G. of Police; Fire Service Branch, Madras,
No.Rc.11042/B.1/52; D/26-11-1952.

Please see the notes above. The I.G. of Police, Fire Service Branch, has confirmed that the static water tanks shown in the list on pp. 7-9 c.i. have been taken over by the M.F.S. Department, S.Kanara Dist., and that no structures other than static water tanks at Mangalore were taken over by the Fire Service in the Dist. The value of these static water tanks have now to be credited to the Civil Defence Pool as was done in the case of other A.R.P. structures already taken over. The total amount that has to be credited works out to Rs.5,368-8-0 (50% of the pre war value). The Government of India may be addressed for their approval.
